

Please register for the **webinar scheduled on Thursday September 13, 2012, from 1:30 p.m. - 3:00 p.m.** The purpose of the webinar is to discuss the information sent on August 10, 2012 in response to questions raised at the July 17, 2012 W2RAC meeting. We'll review it via a PowerPoint presentation, but it may be helpful to have a copy of the document. The webinar is an opportunity to ask questions about this information; however, if you miss the webinar, we are recording it so you can review it later.

**If you plan to participate in the webinar, you must register by following the link below.** On the day of the webinar, we encourage you to allow a few extra minutes to log on before the 1:30 start time.
